Sons + Daughters Academy is a Christian daycare center that also serves as a ministry. We are regulated by the VA Dept. of Education (VDOE). SDA is a nonpublic, private daycare center that holds religious exempt licensure through the VDOE.

The objective and purpose at SDA is each child's physical and spiritual well-being. While providing care for physical needs, biblical principles are used to establish a good foundation in their young lives. The mission of this daycare is to facilitate and nurture the spirit and mind of each young person that walks through our doors by teaching them about the love of God and for others. Our teachers have a heavy burden of setting an example for each child, which will nurture that child's character, heart, and mind throughout their time here at SDA.

Orientation

An email will be sent to parents regarding each child's class, room location, and other pertinent information. It is vital that parents read all information given and verify completion before the child attends SDA. Supplies and clothing (**see p. 10**) will need to be brought on the first day of attendance.

Health Records

VA law requires all children attending SDA have an up-to-date Certificate of Immunization on file in the office. Children 2yrs and under will need an updated copy of shot records sent to our office every 6 mos. CHILDREN ARE NOT REQUIRED TO RECEIVE SHOTS EVERY 6MOS, but a faxed copy needs to be received every 6 mos. This is a state regulation. A reminder will be sent out to you once that time comes. Our fax number is 540-459-4101. Your Dr. office can fax the form over to us.

Immunizations received out-of-state are NOT acceptable.

~ Immunizations can be taken care of through your physician or local health department .

~ Expiring immunization form reminders will be sent as the next set of shots come due. ***Plan to turn in an updated immunization form two weeks prior to the expiration date.***

It will be necessary to bring your child's health reports as stated above to the office. ***No child may be admitted to SDA until this is completed as required by law.***

Daily Attendance

Arrival

We open at 6:30 A.M. Parents should bring each child to his/her classroom. Please remember that drop off is no later than **9a.m.** unless you have a doctor's appoint. Doctor' notes will be required. No drop offs after **9a.m.** will be accepted unless otherwise approved.

Children will be signed in each day by their teacher. Parents of infants should briefly list specific instructions, as well as the last time your child ate, at time of drop off or record information in the activities section or messages in the Procure app.

It is best for the parent not to come in and out of their child's classroom during your child's day. When the parent comes in and out of the classroom, it makes the period of adjustment more difficult for both the child and the teacher. Assistants are assigned in each classroom to help lead teachers and meet ratios throughout the year.

Dismissal

Children should be picked up on time each day. SDA closes at 6 P.M. .There will be a \$15 late fee if your child is not picked up on time. The fee will increase by \$10 if the child is not picked up by 6:15 P.M. Based on VA law, anyone other than a child's legal guardian must have written authorization to take that child from SDA. Please make sure you message your teacher through the Procure app if someone else will be picking up your child. Identification will be required of those picking up children other than the parents.

General Information

Absences

When a child is absent, SDA should be notified through the Procure app. Please notify SDA through the Procure app if your child is going to be absent or if your child is absent because of a communicable disease. Please remember that if your child is absent for any reason, you are still required to pay tuition. Your tuition holds your child's spot. Upon pickup, once you enter our facility, you then assume responsibility of your child. If your child gets off the bus at our facility, we will assume responsibility of your child once your child enters our facility.

Address or Phone Number Change

Anytime an address or phone number (home or work) is changed, please notify SDA.

Cell Phone Usage

The times you spend in the center dropping off and picking up your child are the primary windows of time we have to communicate with you about your child. In order to make the best use of these opportunities, as well as to be attentive to your child and other children, we ask that you NOT use your cell phone at anytime while visiting the center.

General Information Cont.

Biting

If your child bites a staff member or another child two times within the time they have been dropped off, your child will need to be picked up for the day. If it continues day after day, your child could be terminated from our program. Our goal is to keep the children safe. If we continue to allow children to get bit, we are not keeping them safe.

Communicable Diseases

SDA desires to maintain a healthy and safe daycare environment by instituting controls designed to prevent the spread of communicable diseases. The term "communicable disease" means an illness which arises as a result of a specific infectious agent which may be transmitted either directly or indirectly by a susceptible host or infected person to another person.

The teacher who reasonably suspects that a child is ill shall immediately notify the director. Any child with a communicable disease for which an immunization is not available shall be excluded from the program until their doctor has given them permission to return.

If the nature of the disease and circumstances warrant, SDA may require and physical exam of the child to verify the diagnosis of the disease. SDA reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary actions to control the spread of communicable diseases within our program. Illness Cont.

For the welfare of your child and others at SDA, all children who are sick must be kept at home. When the child is well enough to participate in a normal day, please make sure you bring a doctor's note saying your child is well enough to return. If you have other children attending SDA, those children will need to be kept home as well. This will help keep the spread of germs to a minimum. If the sick child is cared for by a sitter, the siblings may attend the SDA. Should your child require an oral medication, you will need to make plans to come and give it throughout the day. SDA is not permitted to administer medicine at any time. The following list of childhood diseases is a guideline for when your child may return to SDA.

- *chicken pox/hand, foot, and mouth—after all lesions are crusted*
- *diarrhea—when stool is firm*
- *fevers—must be fever-free 24 hours (children are considered to have a fever at 100.5)*
- *lice—after medicated shampoo and no nits are present*
- *impetigo—after all lesions are crusted or covered with a bandage*
- *measles—5th day after rash appears*
- *pinkeye—on medication 24 hours and without redness or discharge*
- *pinworm—after a dose of medication*
- *rashes (unknown origin)—when rash has disappeared*
- *respiratory syncytial virus (RSV)—when cough and runny nose has stopped—usually 5 to 7 days*
- *ringworm—after medication for 24 hours; then area covered at day care until gone*
- *roseola—fever free for 24 hrs.*
- *rotavirus—after diarrhea stops*
- *rubella—fifth day after rash first appears*
- *scabies—24 hours after treatment and with written permission from physician*
- *strep throat—after medication for 24 hours*
- *thrush—after medication for 24 hours or doctor's note to return.*

Dress Code

If children attend in beach style flip flops or strapless shoes, please make sure you bring an extra pair of shoes for the playground to prevent any injuries while playing. Children **MUST** attend school with shoes and must attend with a coat during winter months.

Emergency Notification Messages

SDA utilizes Procure as our method to get ahold of the parents in the event of an emergency. Please make sure you have the ProCare app downloaded on your phone and notifications set up in your settings in the event you need to be reached for an emergency. If we cannot reach you through Procure, we will contact the phone numbers listed on your enrollment forms. If we are unsuccessful in our efforts to reach you, we will reach out to your emergency contacts listed on your enrollment forms. In the event of bad weather, snow or other emergency weather conditions, we will notify you through the Procure app.

Meals

We do not provide meals. Your child must have eaten breakfast by **8:30am**. If your child comes in after 8:30am, no breakfast will be served. Lunch is served at different times for each class. Please see your child's class schedule. **ALL ITEMS IN YOUR CHILD'S LUNCH BOX MUST BE LABELED WITH THEIR NAMES. THIS IS A STATE REGULATIONS AND IS SET IN PLACE DUE TO ALLERGIES.** Snacks are served at different times for each classroom. Please see your child's class schedule.

Nursing Mothers

We are a breast feeding friendly center. A private area within the infant room is provided for mothers who wish to nurse their babies. Please inform the infant teachers if you plan to come to SDA and nurse your infant.

Potty Training

Potty training generally begins at 2 yrs old. Unfortunately, we cannot accommodate an earlier potty training regimen. Consistency at SDA and at home will help your child achieve success more quickly. Encourage your child to become independent in caring for themselves in the restroom. Pull-Ups should be worn at this time and are required during potty training. Your child may wear regular underwear after going two weeks without an accident. Children must be potty trained and in regular underwear to go to the four-year-old class.

Safety

When entering or exiting the building, please make sure that doors close behind you. Our doors are locked to ensure the safety of your children, and cannot be accessed without a code. Please do not allow other people you do not know into the building. When you fill out your child's enrollment form, you will be able to list anyone you would like to have permission to pick up your child. Verbal confirmation to the teacher of the day for those listed as authorized pickups in Procare is necessary to be able to help us know that you have given that person permission that day to pick up your child. When someone other than you comes to pick up your child, an SDA worker will ask to see an ID at pick up. Please make sure whomever picks up your child has the code for entry, and is aware of the SDA procedures. It is also recommended to make sure that the person knows where your child's classroom is. If you would like someone not listed on the enrollment form to pick your child up, you will need to give written permission to your child's teacher through the Procare app, on the day that person will be picking up your child.
